

Blogpost after fulfilled travel/stay

In order to receive your IRSAE grant, all students must write and submit a short report from their stay/visit for which they have received IRSAE support. This will be published on the IRSAE web page at www.irsae.no. please send your blog-post to henriette.gelink@inn.no.

Please note that no reimbursement will be issued without this report.

The blogpost must contain:

- Between 400 and 1000 words
- Name of student
- Name of home institute
- Project title
- Purpose for travel / stay for which you have received IRSAE support (including dates and destination)
- Pictures are very appreciated (but remember privacy regulations and copyrights)

You are free to decide what kind of blog post you would like to write, but try to keep in mind what will be interesting and relevant for your fellow PhD students.
